

About me

I´m a Brazilian musician and multi instrumentalist, composer and producer. I´ve been working as a session musician for more than 20 years, collaborating in many albums and live gigs. Over the last 10 years, I´ve also worked as a composer for movies, with cues exhibited in live actions, television series and animation series. As part of the team of Submarino Fantastico Studio, in São Paulo, my music is part of many shows in venues like Nickelodeon, Amazon Prime, Cartoon Network, Discovery Kids, HBO, Netflix, Gloob, Rede Globo, TV Cultura e Warner Channel.

I´m also have my solo work, with 4 album released and available on the major music platforms. I have also composed for the Music Library & SFX in Spain, with 2 album available at their own platform.

I have a Music Education Degree, at UNESP (State University of São Paulo), a Master Degree in Art

Education (State University of São Paulo) and a PhD Degree in Musicology at USP (University of São Paulo).

Feel free to listen to my work at the main page. And do not forget to say hello, using the information at the contact page.
